

745 Door Lock Actuator

Kit: (2) Doors.

NOTE**** Outside of box shows (2) 5-Wire MASTER ACTUATORS, but system **ONLY** comes with (1) for DRIVERS Side Door and (3) 2-Wire ACTUATORS for the Passanger and Rear Doors.....

NOTE
It is OK to CUT these ends off when tying into a keyless entry system.

(1) MASTER ACTUATOR for DRIVERS DOOR ONLY

Type "B" System

WHITE is LOCK ACTUATOR "IN"

BROWN is UNLOCK ACTUATOR "OUT"

When using on a (2) door vehicle use these (2) ACTUATORS ONLY.....

If you are using the #745 Door Lock kit for a (2) Door vehicle, tape the GREEN and BLUE wires for #3 and #4 Actuators up and do not use.....
